“Life Well Lived”

*A life well lived is a precious gift, of
hope and strength and grace, from
someone who has made our world
a brighter, better place.*

*It's filled with moments, sweet and
sad with smiles and sometimes
tears, with friendships formed and
good times shared, and laughter
through the years.*

*A life well lived is a legacy, of joy
and pride and pleasure, a living,
lasting memory our grateful hearts
will treasure.*
